

Mas Redortra

TEAM BUILDINGS
AND WELLNESS RETREATS

WELCOME

Mas Redortra is one of those dreamlike natural environments, with breathtaking views, **centuries-old rustic buildings** with **centuries of history**, and privileged natural landscape make it **truly unique**.

Since 2002, the estate has been managed by a family with the support of an **on-site housekeeper** who takes care of every detail on a daily basis.

We open the doors to this little paradise, which we care for with deep respect for nature and its rhythms, in an **ecological and sustainable** way.

A 15TH-CENTURY COUNTRY ESTATE

Mas Redortra is an **iconic country house** located at the foot of the Serra de Bellmunt (Osona), offering **exceptional views** over the Vic plain and the Montseny massif.

The estate spans **100 hectares**, featuring pastureland and horse facilities, orchards, **native forests** of oak, holm oak, and beech, as well as 6 hectares of private gardens with a **natural lake and a stream**.

The estate comprises a complex with:

accommodation for up to 24 people

and event rooms for weddings and

events up to 200 guests.

THE PROPERTY

Mas Redortra spans 100 hectares of land, **6 of which are completely private** within a security fence.

The private estate area includes:

- 15th-century country house and annex buildings
- Event hall (200 people)
- Classic lounge (30 people)
- Swimming pool
- Vegetable garden and chicken coop
- Lake area
- Barn refuge

15TH-CENTURY COUNTRY HOUSE

The 15th-century country house consists of a group of buildings with over 1,000 m² of built space, featuring stone walls and wooden roofs with traditional tiles.

The constructions include:

- Masia Redortra
- Paller House
- Masoveria House
- Event hall (200 pers.)
- Classic lounge (30 people)

TAILORED EVENTS

ACCOMMODATION UP TO 22 PEOPLE

We have a maximum capacity of 10 people in separate rooms and 22 people if using shared rooms with separate beds.

EVENTS UP TO 200 PEOPLE

For team buildings with more participants, we offer **spacious outdoor areas and a swimming pool**, as well as two rooms with a capacity of 30 to 200 people.

LA COCKTAIL

The Plaza is the estate's standout location, a sheltered space with exceptional views, directly connected to the event hall.

Undoubtedly, it is the ideal spot for outdoor gatherings, enjoying an aperitif, as well as group activities.

THE EVENT HALL

The event hall is a **century-old stone and wood nave**, restored and transformed into a south-facing event space, with high ceilings, abundant **natural light**, and **beautiful views**.

This main room is the perfect setting for banquets, with a capacity of **up to 200 people**.

THE CLASSIC ROOM

Designed for receptions of up to **30 people**, the classic lounge features elegant decor, including a cherry wood table designed by American architect Frank Lloyd Wright and Baroque-style furniture that is over 200 years old.

The space is complemented with relaxation areas and comfortable furniture for more casual gatherings.

ACCOMMODATION

The country house is divided into three modules, each with its own living areas.

With a total capacity for

26 people

the accommodation is distributed as follows:

- Masia Redortra 7 pers.
- Paller House 6 pers.
- Masoveria House 3 pers.
- Barn Refuge. 6 pers.

Our **housekeeper** is available throughout your stay to ensure an unforgettable experience.

KEY CONSIDERATIONS

- Accommodation is exempt from VAT. Event space is subject to 21% VAT.
- The accommodation is for the exclusive use of overnight guests and will remain closed during events.
- To host an event or wedding, hiring a professional catering and bar service is required.
 - Please refer to our **GASTRONOMIC DOSSIER** for more information.
- For events without accommodation, table and chair rental will be billed separately.
- We have resident DJs available. For external DJs, please consult the specific conditions and rates to ensure safety and logistics.

SUSTAINABILITY

The property follows strict criteria of ecological management and respect for the environment:

Energy is generated using biomass from forest pruning waste following a **sustainable forest management** plan.

The vegetable gardens are managed using **biodynamic farming** techniques, without pesticides or chemical fertilizers.

The water comes from a well and is treated through a **biological purification** system.

Cows graze freely, helping to **regenerate the pastures**.

We follow a policy to **reduce plastic waste**.

We filter drinking water with osmosis to avoid the use of bottles.

All our suppliers are **locally sourced**, and we prioritize **organic products**.
