

Mas Redorta
WEDDINGS

WELCOME

Mas Redortra is one of those dreamlike natural environments, with breathtaking views, **centuries-old rustic buildings** with **centuries of history**, and privileged natural landscape make it **truly unique**.

Since 2002, the estate has been managed by a family with the support of an **on-site housekeeper** who takes care of every detail on a daily basis.

We open the doors to this little paradise, which we care for with deep respect for nature and its rhythms, in an **ecological and sustainable** way.

A RURAL WEDDING IN A 15TH-CENTURY COUNTRY ESTATE

Mas Redortra is an **iconic country house** located at the foot of the Serra de Bellmunt (Osona), offering **exceptional views** over the Vic plain and the Montseny massif.

The estate spans **100 hectares**, featuring pastureland and horse facilities, orchards, **native forests** of oak, holm oak, and beech, as well as 6 hectares of private gardens with a **natural lake and a stream**.

The estate comprises a complex with:

accommodation for up to 26 people

and event rooms for weddings and

events up to 200 guests.

THE PROPERTY

Mas Redortra spans 100 hectares of land, **6 of which are completely private** within a security fence.

The private estate area includes:

- 15th-century country house and annex buildings
- Event hall (200 people)
- Classic lounge (30 people)
- Swimming pool
- Vegetable garden and chicken coop
- Lake area
- Barn refuge

15TH-CENTURY COUNTRY HOUSE

The 15th-century country house consists of a group of buildings with over 1,000 m² of built space, featuring stone walls and wooden roofs with traditional tiles.

The constructions include:

- Masia Redortra
- Paller House
- Masoveria House
- Event hall (200 pers.)
- Classic lounge (30 people)

CIVIL CEREMONY AT THE PROPERTY

Get married among fruit trees, by the lake, or with views of Montseny—each couple can choose the most suitable location, and we'll take care of all the arrangements.

RELIGIOUS CEREMONY

Several exceptional locations just minutes from the estate:

- **Bellmunt Sanctuary (1240 m).** A unique chapel offering 360° views of the Pyrenees, Montseny and Montserrat.
- **Romanesque Church** of Sant Vicenç de Torelló (11th century)
- **Parish Church** of Sant Pere de Torelló (18th century)

"I never would have imagined getting married in such a beautiful place. It's a dream come true, one where you wake up and feel at home... the views, the surroundings... It was like being transported to paradise for a few days with the people we love most." Júlia & Pau

THE COCKTAIL

We offer several locations for the cocktail, depending on the number of guests and the views you prefer:

The courtyard, the terrace at Paller House or the lake, with the reassurance of a covered space in case of rain.

The terrace is the prime location of the estate, a sheltered area with exceptional views, directly connected to the event hall, and including a children's area.

THE EVENT HALL

The event hall is a **century-old stone and wood nave**, restored and transformed into a south-facing event space, with high ceilings, abundant **natural light**, and **beautiful views**.

This main room is the perfect setting for banquets, with a capacity of **up to 200 people**.

THE CLASSIC ROOM

Designed for receptions of up to **30 people**, the classic lounge features elegant decor, including a cherry wood table designed by American architect Frank Lloyd Wright and Baroque-style furniture that is over 200 years old.

“We wanted a simple yet special celebration, surrounded by nature and with spaces that invited tranquility... at Mas Redortra, we found everything. Every corner has its own soul, and everything flows. We felt incredibly well cared for, with respect for our pace. It was a weekend we will always remember.” Júlia and Ferran

ACCOMMODATION

The country house is divided into three modules, each with its own living areas.

With a total capacity for

26 people

the accommodation is distributed as follows:

- Masia Redortra 10 people
- Paller House 10 people
- Barn Refuge 6 people

Our **housekeeper** is available throughout your stay to ensure an unforgettable experience.

In the morning, we offer a buffet breakfast, which you can enjoy on the terrace or in the house dining room.

THE ROOMS

Total We have **8 rooms**

Capacity that can host up to **26 people**.

Masia Redortra  **4 bedrooms**  **10 people**

Paller House  **3 bedrooms**  **10 people**

Barn Refuge  **1 room**  **6 people**

(This module is only enabled when renting the entire property.)

“We fell in love with the estate the moment we saw it: the meadows, the lake, the stone house... But what we couldn't have imagined was that behind this project there would be such a passionate team that would support us so well to ensure everything went perfectly. It was an unforgettable day.” Oriol & Laura

CATERING AND KITCHEN SERVICE

We work with several trusted providers who can offer catering and kitchen services.

Menu with table service

Open bar

Show Cooking

Food market

Buffet breakfast and meals (for guests staying overnight)

Self-service tray catering

Request our **GASTRONOMIC DOSSIER** to receive menu options, available in both informal standing format and with table service.

SWIMMING POOL AND PORCHES

For spring and summer events, we offer an exceptional swimming **pool**, completed in 2024, located in a privileged area of the estate with **views of the Montseny**.

In addition, for **summer banquets**, we provide various covered outdoor spaces and porches where guests can enjoy a **fresh, shaded atmosphere**.

"We can only express our gratitude for the impeccable organization and the attention to detail with which every aspect of this wonderful estate is taken care of. We keep hearing stories from the whole family, reminiscing about how beautiful everything was and how well we were looked after." Carla & Gerard

SUSTAINABILITY

The property follows strict criteria of ecological management and respect for the environment:

Energy is generated using biomass from forest pruning waste following a **sustainable forest management** plan.

The vegetable gardens are managed using **biodynamic farming** techniques, without pesticides or chemical fertilizers.

The water comes from a well and is treated through a **biological purification** system.

Cows graze freely, helping to **regenerate the pastures**.

We follow a policy to **reduce plastic waste**.

We filter drinking water with osmosis to avoid the use of bottles.

All our suppliers are **locally sourced**, and we prioritize **organic products**.
